Bed Bug Preparation Sheet

1. Remove all sheets, comforter and window coverings from the bed and other places of the home. Place in washing machine and set to **HOT WATER** for laundry. Dry on **HOT** setting too.
2. Wash **ALL** clothing items in **HOT WATER** and then dry on **HOT** setting too.
3. Move **ALL** furniture away from base molding. (**WALLS**) Also, all photographs and décor need to be moved off of the walls.
4. Purchase **bed bug proof** mattress covers for mattress and box spring.
 - a. **Mattress covers to be put on AFTER Sentinel treatment.**
5. Bag all items in **THICK PLASTIC BAGS** that are in the infested areas. These items include books, papers, DVDs, CDs, and other miscellaneous items. **DO NOT TIE OR SEAL BAGS**. Place like items in the same bags. **Leave plenty of room in the bag so that we will be able to tie and seal bag.**
6. **DO NOT OPEN BAGGED ITEMS!** This will be completed by the technician at the follow-up appointment. Opening bagged items before the follow-up appointment will **VOID** the treatment!
7. Tenant must vacate unit for a minimum of **FOUR HOURS**.
8. All furniture in the affected area needs to be emptied and accessible for treatment.
9. Remove **ALL** electrical outlet and switch covers.
10. **IF YOU HAVE RESPIRATORY ISSUES OR ARE PREGNANT PLAN TO BE OUT OF RESIDENCE FOR 24 HOURS.**
